

Technical data sheet

Earthing terminal with fastening thread

Art.-Nr. 6404006

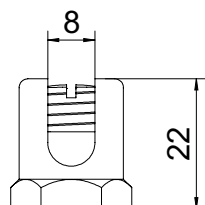

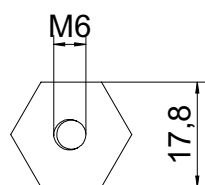

Earthing terminal for fastening the equipotential bonding conductor to the cable support system.

CuZn Brass

Master data

Item No.	6404006
Type	EKL 25 M6
Description 1	Earthing screw
Description 2	with fastening thread M6
Dimension	25mm ²
Material	Brass
Material symbol	CuZn
Smallest sales unit	50,00 pcs
Weight	3,10 kg/100 pcs.

Technical specifications

Length	25,00 mm
Dimension L	22,00 mm
Dimension I	8,00 mm
Thread	M6
Cross-section	25,00 mm ²
Stainless steel, stained	<input checked="" type="checkbox"/>
